## BUDGET 2016

### Did Budget 2016 Deliver: A Follow-Up Checklist

We scored the new Liberal government's March 22nd federal budget a 7/10 on tone, narrative and shrewd expectations management. On "Canada in the World" - global affairs, trade and development - we give it no more than a 6.5/10.

### Data Spotlight:

According to Budget 2016:

Canada will invest \$5 billion over the coming years to "renew Canadian leadership on the world stage" - primarily in areas like humanitarian assistance, refugee resettlement and climate finance

The International Assistance Envelope (IAE) will be "restored and renewed" to over \$5 billion by 2018-19
