

About Willem Vosmer

Willem Vosmer is a partner at Steward Redqueen, a Dutch-based boutique consulting firm that focuses on sustainability and impact. In this position, Willem works with a wide array of clients from the financial sector on sustainable finance and impact investing. His client base ranges from commercial banks, institutional investors, private equity firms, development finance institutions (DFIs) and niche impact investors from both developed and emerging markets. For almost 15 years now, Willem works with DFIs to design and implement their development impact strategies and frameworks. Clients appreciate Willem for his practical approach to putting responsible investment strategies and impact measurement systems into practice by means of efficient and effective operational mechanisms. Willem is also a Member of the Standing Committee of the China Alliance for Social Value Investment.
